You will need a visitor badge in order to ride the elevators. Please be sure to bring a valid Driver's License, ID or Credit Card with you that has a magnetic strip which can be swiped/read by the security system's card reader.

Once you arrive in the main lobby, please follow these steps:

2. At the Self-Service Kiosk, please touch the screen to begin and select "Get Badge".
3. When prompted, swipe your Driver's License, ID or Credit Card.
 - The system will then take your photo and your visitor badge will be printed.
4. Retrieve your visitor badge and proceed to the elevators.
5. At the elevators, place your visitor badge in the slot below the numbered keypad.
 - The system will scan the badge and the screen will show you which elevator you have been assigned.
